Pacific Series

PAC 100

PAC 101

The PAC100 series fixtures are made of a seamless one-piece injected molded polycarbonate or acrylic globe which is mechanically fastened to a QUAD-TURN system c/w stainless steel hardware. The globe is assembled to a cast aluminum pendant mount adaptor. Surrounding the globe is a bent aluminum guard and a spun aluminum shade. The lamp and removable ballast assembly are accessible by means of a tool-free QUAD-TURN, quarter-turn locking system.
